CRAFT SAND CONTAMINATION UPDATE

You may be aware of a recent alert about craft sand products that may contain asbestos. For current information about the recall, including a list of products, visit the ACCC website.

At our school, we are taking the steps set out by the Department of Education to collect and dispose of the products. Current advice from national and Victorian health authorities is that there is a low risk to human health from these products. If you have the product at home, however, the advice from the health authorities is that you should stop using it and follow the safety advice published here: [Safe disposal and health information for consumers with recalled sand products | ACCC Product](#)

FREE PUBLIC TRANSPORT

From 1 January 2026, people aged under 18 can travel free on all Victorian public transport services using a new youth myki card. This includes trams, trains, buses and coach services.

To access free travel, they must tap the myki card on and off each time they travel. For areas that do not use myki cards, they must show their myki card to travel free. More information about the youth myki card will be available later in Term 4, 2025 – refer to the myki types webpage on the Transport Victoria website.

For more information about other travel options to school, and support for eligible students, refer to the Travelling to school webpage on the Victorian Government website.

ART ROOM NEWS

We have had a great start to the term. The first day back, each student drew an apple design for a collaborative fundraising initiative. Look out for the beautiful tea towel, apron and tote bags at Applefest!

As part of the Landcare grant, we had local artist, Linda Newton, come and work with students on botanical illustrations. The students were highly engaged and in awe of Linda's talent. Students really took to the challenge and drew some beautiful illustrations of plants and animals found in Ulambara.

Some of the classes are focussing on portraiture this term and if you are looking for some family TV, Portrait Artist of the Year on ABC interview is well worth a look!

Also, if you are in Castlemaine on the weekend, the Information Centre/Market Building has a sculpture exhibition on with a fantastic cardboard creation of a man and horse/machine. It is extraordinary, and students in Gr 3/4 will find it of particular interest in relation to our current 'recycled city' project.

CALLING ALL HVPS ARTISTS!

It is report time soon and we are looking for another fabulous **image of the school** for the front cover. We want you to create an image of anywhere in the school, in any 2D medium of your choice. Artworks can be handed to Ms Maddaford or Mr Walter for judging. Submissions close **Thursday 4th December**
