Principal's Report

Dear parents and carers,

Thank you for all your support during this week's period of remote and flexible learning.

We are looking forward to seeing the return of all students next Monday 7th June.

In line with the latest Department of Education and Training school operational guidelines and the promotion of COVIDSafe activities, I ask that you are familiar with the current operational requirements tabled below:

- **Restrictions on access to school site** - We request parents do not enter the school grounds unless it is for an essential reason. Under these circumstances, parents are required to report at reception wearing a face mask, practise physical distancing and hand hygiene practices.
- **Pick up and drop off time** – Where practical, please adhere to physical distancing requirements and wear a mask if less than 1.5 metres away from other school community members.
- **School assembly** – Instructions on how to virtually attend assembly via Webex will be emailed to families next week.

- **School Bus** - The school bus will be operating on the same timetable with enhanced cleaning and physical distancing maintained from adults i.e bus driver. We encourage families to utilise the school bus service as this will help minimise the congregation of adults at school entrances.
- **Friday Breakfast Club** - As our Breakfast Club is deemed an essential service, Breakfast Club will be available for students next Friday 11th June.
- **Friday Lunch Orders** – Until further notice, Friday Lunch Orders will not be provided.
 - Prepaid orders will rollover to term 3.

To support the health and wellbeing of all our students and staff, our school will continue an enhanced cleaning routine and will encourage frequent hand washing.

If your child is ill or is feeling unwell, they must not attend school. They must remain at home and get tested.

Under the current school operating procedures, parent/teacher interviews will be held via telephone in the week commencing Monday 21st June. Bookings for parent/teacher interviews will be open next Friday 11th June.

To ensure the continuity of learning, it is important that student netbooks are taken home at the end of each day in the event of further circuit breaker announcements. We ask that students charge their devices at home over night and attend school with their devices fully charged.

If you require further information regarding the return to onsite learning, please do not hesitate to contact me.

Thank you for your continued support and patience during this time. We look forward to welcoming our students back to the classroom.

Enjoy your weekend!

Andrew Blake
Principal
