Holidays-We made it!

Whilst we all would acknowledge it has been a very big term, it has been a term that has made us all very aware of just how resilient and adaptive we all are. Thank you for all of your support this term.

Please note that due to us receiving very late notice regarding FlexiBuzz being decommissioned at the end of this month, any correspondence over the holidays will be sent via email. An alternative communication device is currently being sourced.

Term 3 will commence on Monday 13th July.

Please be aware that until further notice, the current restrictions will remain in place for the commencement of Term 3.

Have a great break!

Arden Project

School Council has continued to place a strong emphasis on beautifying our school grounds. We are pleased to advise that the next stage of the grounds upgrade involves the front garden of the school listed below.

A very big thankyou to Kendall for leading this project and drafting the plans for our proposed work.

Triple P-Positive Parenting Program

Families can now access free expert parenting advice through the online Triple P – Positive Parenting Program.

The program is relevant to families with children between 2 and 16 years and provides strategies to deal with specific challenges, such as building children's resilience and dealing with conflict.

There are courses specifically for parents of toddlers to tweens, and for parents of pre-teens to teens.

It gives parents strategies to:

- raise happy, confident kids
- manage misbehaviour so everyone in the family enjoys life more
- set rules and routines that everyone respects and follows
- encourage positive behaviour
- take care of themselves as a parent
- feel confident they're doing the right thing.

Sign up to the Triple P program via their website.
